 For Full Glass doors | ex. Function L13 – Push-to-open version
 Pour portes en verre | ex. Fonction L13 – Version à ouverture par poussée
 Para puertas de vidrio | ej. Función L13 – Versión con apertura por empuje

Applicare uno o più distanziali (k) SOLO nel caso in cui il gruppo scrocco presenti gioco o oscillazioni una volta inserito nella sua sede nel vetro.

Apply one or more spacers (k) ONLY if the latch assembly wobbles or is loose once inserted into its housing in the glass.

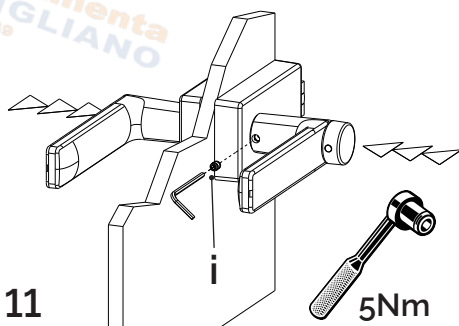

Appliquer un ou plusieurs entretoises (k) UNIQUEMENT si le groupe de verrou présente du jeu ou des oscillations une fois inséré dans son logement dans le verre.

Colocar uno o más espaciadores (k) SOLO si el conjunto del pestillo se mueve o presenta holgura una vez insertado en su alojamiento en el vidrio.
